CLASSES OF TIME OFFERED: The rates shown on the preceding pages are for non-preemptible placement. The station(s) offer rotational plans that have varying degrees of pre-emptibility as a condition of purchase. Details of these rotational plans are available on request.

PRIORITY/MAKE-GOODS: The rates shown on the preceding pages represent rates that are exempt from pre-emption and are in a priority position for make-good should a scheduled commercial announcement fail to air for technical or other reasons. With the exception of a standard 15 percent advertising agency commission, no other discounts are offered with these rates.
