Pricing Restrictions

Package Items	Restrictions
Responsive Website Design utilizing an existing design template	Your website will not be a custom design. However, it will be responsive to any screen size and it will be a modern and clean look.
Four Website Sections (Landing Page, About Us, Services, Contact Us)	About Us, Services and Contact Us are example tabs that are commonly used by our clients. The content is provided by our clients. We can assist with the composition of content at an extra charge ¹ .
Website Module (choose from: Slide Show, Gallery, Calendar)	You will have a “webadmin function” that will allow you to populate and edit/delete content from those modules at any given time.
Additional Sections (e.g. Testimonials, Portfolio, Brands, etc.)	Additional tabs as well as sub-tabs can be added to the site. However, if more than 3 additional main-tabs/6 additional sub-tabs are added, the hourly rate ¹ will apply.
Annual Hosting Services	The annual hosting services depend on the bandwidth and analytics of the website. Hosting fees are subject to change if the bandwidth usage or page views exceed the normal amount. The platinum package also includes up to 5 custom e-mail addresses and mail hosting ² .
Domain Transfer Fee	The price includes the annual domain registration fee. The fee includes the purchasing and the maintenance of the URL in our DNS records.

¹ The rate is \$135/hour ² E-Mail hosting services can also be added to the silver and gold package (for a surcharge)
